GENERAL REMINDERS

- Wear band uniforms or formal attire for the final concert. No majorette/color guard uniforms, please.
- **ALL STUDENTS MUST BRING A CLEARLY MARKED MUSIC STAND and a PENCIL**
- All percussion equipment will be furnished except snare drums and sticks/mallets. Percussionists must have their own sticks/mallets (including timpani!).
- One Band Director from each participating school must be on campus at all times for supervision.
- All students must be present and on time for all rehearsals and concerts.
- If you cannot attend the clinic due to an illness or emergency, notify your Band Director immediately. Band Directors should notify the GCBDA President (Kristopher Chandler) immediately of cancellations so that alternates may be notified.
- Name Tags must be worn at all times. **YOU ARE RESPONSIBLE FOR YOUR OWN NAME TAG.**
- Students are expected to be on their best behavior at ALL TIMES (during concerts, rehearsals, and breaks). We are guests on campus and will behave like young ladies and gentlemen during the clinic. Students whose behavior becomes an issue to the clinic experience will be sent home and your Band Directors will be notified immediately.
- **BAND DIRECTORS MUST REMAIN ON CAMPUS TO SUPERVISE STUDENTS AT SATURDAY'S LUNCH.** Please plan on getting your lunch either quickly after the 10:30 Clinic Presentation OR at 1:30pm after student lunch rotations are complete. Thank you for your help in this matter!
